

## Tours

Fast registration of tours that integrates directly with tour and vendor payroll. Realtime web screens that show time on tour, who is on tour and who has purchased. Prevents double-booking of tours. Dozens of possible demographic reports, fully customizable. National Zip Code subscription will automatically enter the State and area code. Easy-to use online tour registration that cuts costs and allows you to control your tour vendors or your own telemarketing bookings or OPC's™.

### Tours

- Book tours unlimited numbers of days out or just minutes before a tour.
- Track OPC's, phone rooms, tour vendors.
- Print or Email Confirmation Letters.
- Demographic reports by age, zip code, source etc.
- On-line bookings reports by Wave with sales stats
- Solicitor performance report by Qualified, Not Qualified, Show, Sales, and performance percentages.
- Use this software to build your own manifest control room. Used by vendors that books up to 500 tours per day AND resorts that book 10 tours a day.
